Long before Bostonians were baking their navy beans for hours in molasses -- and earning the nickname Beantown in the process -- New England Native Americans were mixing beans with maple syrup and bear fat and putting them in a hole in the ground for slow cooking. Also charmingly called slump, grunt, and buckle, cobbler got its start with early oven-less colonists who came up with the no-crust-on-the-bottom fruit dish that could cook in a pan or pot over a fire.
