Completely confused by the But, we do get the sense that Lydia encouraged his passivity in their life together, that she liked to be in control, not in a control-freak way but in that way that super-competent people can .

It might win the Stella Prize. I was mesmerised and I wanted to wholly submerge. She sought and was given permission by the artist to her include her as a character in the book. Utterly fascinating. For Jane, the visitor, it is a temporary haven. It is longlisted for the International Dublin Literary Award. Through the various character the author is able to explore what draws people to art both observing and creating, selfishness vs connection only in New York is making eye contact so revolutionary!
