Now I am going to find more of his books and movies, which will be even more interesting knowing the background which gave rise to them or the circumstances in which some were written. It tells the true story of a life that ranges far beyond the imagination of most fiction writers: 25 years in prison, author of four hugely successful crime novels, a spell on the FBI's 10 most wanted list, a role as Mr Blue in Tarantino's Reservoir Dogs, and that's just for starters. OpenPreviewSee a Problem? He offers an unflinching look at the often violent, and brutal realities of prison life while dropping his unique insight into what drives people to commit crimes; be it social hypocrisy, ignorance, drugs or mental problems, a crappy education system or a fallible justice .
