Special financing available. Ha ha...you should bring your center fielder into the infield and play with an extra infielder because you seem to be so scared of the groundballs which are better right? Showing MisaSawadaiscurrentlyreadingitDec29, He is teaching a kid to have a huge hole in his swing and must have absolute perfect timing to be successful. This drill works on striding into the strike zone, feeling the point of contact and the follow-through.

This makes me think of two of the best advices I got when I was just about to coach
