Some of the nations Russia has stung are Western foes, others former Soviet republics, or states that fall within Moscow's sphere of influence. With increasing external challenges and diminishing dividends from entering the World Trade Organization, rebuilding the relationship between these areas has become an urgent task for China. In China, some complain that the country has overreached and expanded the initiative too quickly, ignoring domestic problems in favor of overseas development and business opportunities.

Not anymore. Russian operatives remain active today, stoking hate and dissc
