In he published a book called The Last of the Plainsmen which was about the Western adventures of man named "Buffalo" Jones, whom he had met in New York. What happens after is the heart of the story: an exploration of mob rule that still echoes harshly for us even today. Totalsaleshavetopped, The other cowboy stopped, looked at me as if he had some wisdom to impart, then hunched over and threw up. The room was at the back of the house and the window looked across the vegetable gardens and the maize crop, and on up the slopes of the ragged hill down which he had ridden the previous day. The pursuit of the murderous, soulless killer he was .
