In this case it was a period of years since last I visited these characters, and my memory is not like John Grant's. The love of books, the joys of reading are central to Zafon's quartet of novels, as indeed is writing, the need to throw light on the darkest of shadows of Franco's fascist regime with his inner cabal and acolytes, defined by their kleptocracy, butchery, corruption, murdering en masse with impunity, and their avarice. Historical fiction?

We controlled the errors numbers and the latency time used by the animals. As an ending to the quartet I found it both rewarding and satisfying; yes, there were some unanswered questions but they added to, not subtracted from, my overall feeling of wistful longing for more from these characters.
