The prescription drug plan has the biggest gap in coverage because it does not fully protect patients against very high drug costs. It's not yet clear how widely the excise tax will be felt by both employers and consumers.

Itprotectseveryonethroughtwomainparts:CostCaps:Capspremiums,deduc Practices—particularly large ones—often include nurses and other clinical staff, who are usually paid a salary by the practice. Another trend is the proliferation of accountable care organizations ACOs networks of providers that assume contractual responsibility for providing a defined population with care that meets quality targets.

HealthCareReform.Complexityoverhealthrecordsandclaimsisnotjustacc gave companies a stake in the system, which successive tax exemptions have helped maintain.
