Global Mental Health and the Church. International The deadline is applicable to students from outside the European Economic Area who want to study within the EEA, or to students who want to study outside the EEA but are not nationals of that country.

We want to ultimately encourage you to study abroad in order to experience and learn. As a result, a collective response at the international level is necessary to effectively address these problems. For detailed country specific entry requirements please visit the International section of our website . Overseas students may be eligible to apply for a range of external scholarships. StudyPortals Tip: Students can search online for independent or external scholarships that can help fund their studies.
