Vatel teaching philosophy must be rigorously preserved in the paradigm shift.

Revitalization: As a federation that gathers all the "colles", the CCCC also works as a forum where all the different groups can debate and decide jointly the future path for the element. Therefore, they are often seen by the latter as valid contributors and partners in actions aimed at the safeguard of local cultural heritage. Suffice it to say that, just as with the brand measurement systems, these lists serve the promotional interests of the book or music industries, work to discipline consumption, and function as forms of myth or self-fulfilling prophecy.

Sustainable development is the form of economic development that is without prejudice to the environment and human and which is based on economic efficiency, social equity, quality, and sustainability of the environment. Connected concerns for the achievement of this goal are the preservation of the environment, the fostering of sustainable development, and the support to children education and traditional leaders' capacity building.
