For example, Hurricane Sandy cost businesses tens of billions of dollars, the report noted. But it was not an easy sale: The bakery's equipment was old and inefficient, there was just one reliable commercial customer, and there were no profits. Since war-torn countries are not included in the report, Venezuela ranked 90. While the industry growth will be strong, not all participants will fare equally. During the six months Stoloff tried to help Rubicon Programs sell its flailing sweet shop, a funny thing happened. The investor breaks down what makes her want to invest in a brand, today's biggest
