The Treaty maker thus assigns enhanced significance to the relevant element or even to whole provisions and provides orientation to the reader in a text which is difficult to penetrate. It constitutes the vanishing point for academic system-building—and thus unity-building—and enables a critique inherent to the law of diverging logics of regulation and lines of jurisprudence. Oxford: Clarendon.

MatthiasNiedobitekand.CriminologicalTheoriesandCasualitiesofCrime
Political union, which originally had already been a subject of negotiation as well, had already failed during the negotiations and had been postponed indefinitely. In a second appendix an extended bibliography is listed for further reading. Often, legal history stands for depicting the historical development of jurisprudence, and in that case presents an interesting subject for legal philosophical considerations.
