Archived from the original on March 24, She was watching a small television that sat on a table behind the counter. A breathtaking adventure tale and a profound meditation on the nature of grief and survival.

His words clang as our note in my years. In our new life as pioneers, even meeting
She broke out big with this book by weaving her hilarious observations of small-town life around her own coming-of-age story. Nora Johnson was a young child when her parents' marriage collapsed.

We were both seniors in college when we learned she had cancer. We pulled into town in the early evening, the sun dipping into the Tehachapi Mountains a dozen miles behind us to the west.
