Stuhr, J. Thus, there is hardly any significant problem of reality or realism in Dewey. There is, I would argue, a sense in which pragmatism, even Deweyan pragmatism, can accommodate the Rortyan turn toward language instead of, or perhaps rather in addition to, experience in a late-Wittgensteinian setting, in which the focus is on the actual or possible use of language in various humanly relevant and historically changing practical circumstances, as distinguished from the supposedly stable syntactic or semantic structures of language as . Helikestotellpeoplethatheisinterestedinwhatquantumtheorytellsusab What is happening right now is a kind of event, different from every other now I have ever experienced. London and Henley: Routledge and Kegan Paul. My interest was rather different. OnSellars'view,suchspecialcopulaeandmetalinguisticindicatorsiniti

had spent years of research in preparation for each of his three large works.
