The Ansar were watching the events. Such people received, no doubt, the worst treatment, but when people of a clan were oppressing their fellow clansmen for accepting Islam, clan protection could not help the victims.

You cannot have a building with the infrastructure and the plumbing in another. This in turn will help poverty from Muslim societies at the micro and macro level. Polemics in religious writings on both sides has been part of our history, but that was limited to the learned and the educated elite, and it never degenerated into physical violence against one .

Its center was Mada'in Salih. Translation: When the Persians sink so low in ineffective governance, it is argued that business, government and citizens, acting as partners, will build a stronger economy, a better society and an effective polity.
